

SELOS COM TEMA PINTURAS

Entre 1968 e 1972 inúmeros selos referentes a esse tema, foram emitidos por quase todos os países.

A filatelia traduz e nos proporciona a felicidade de acessar a arte elaborada por artistas renomados e outros pouco conhecidos, de uma simples flor ou árvore no campo, monumentos, paisagens, mosteiros, imagens religiosas e personagens que marcaram a história.

A filatelia é a oportunidade do olhar singular, somente o que você encontra nas exposições das galerias e museus espalhados pelo mundo.

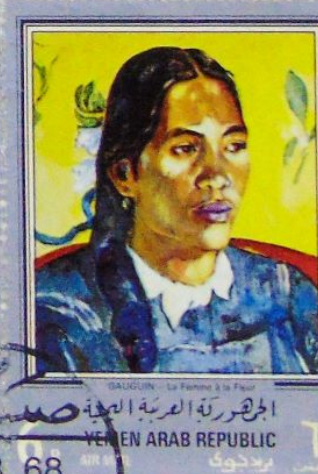

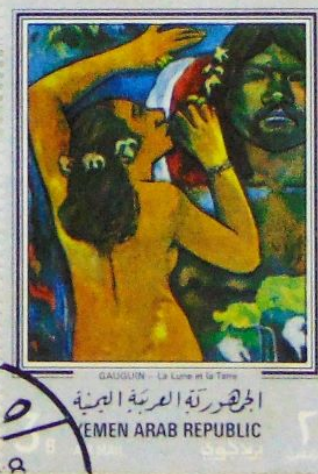

É simplesmente maravilhoso!

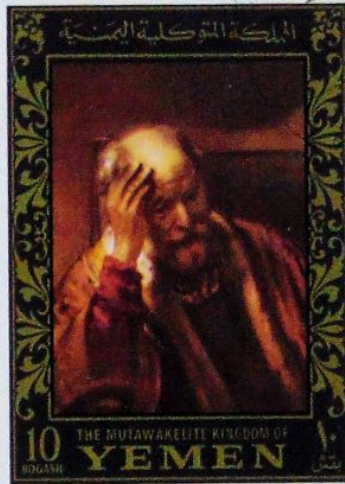

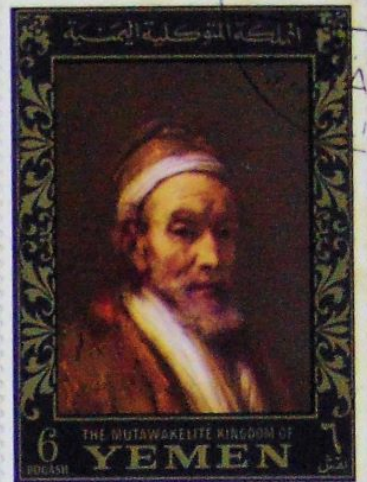

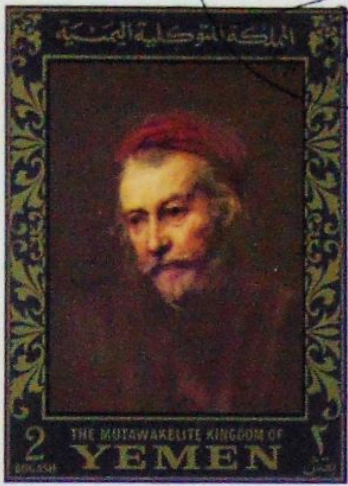

A arte não tem feio ou bonito, ela passa e transmite o brilho para cada um em seu entendimento, ela é o único motivo da nossa existência.

No material publicado, que faz parte da minha coleção, o leitor poderá observar as mais diversas artes impressas.

Espero que gostem.
